FOREWORD

The 1952 Surveyor staff has endeavored to subscribe and portray on the pages of this volume the events of the year. The pictures upon each of the following pages should give you a colorful story of the every day school life here in our memorable halls.

As you leaf through these pages in future years. it is hoped you will look back on our Alma Mater with high esteem and be ever proud that you schooled with so many distinguished personalities.

Our theme for this volume is music. dedicated to those who played and sang their way into our hearts, the Glee Club who gave our seasonal programs. graduation events and the Band who spurred our athletic teams to victory with the musical notes. Music is an excellent ambassador in any country. city, village, school and home. and we are proud to boast our accomplishment here at Mount Vernon High School.

To a great guy — Much Health & Happiness, Ray — Gene Steinbach

DEDICATION

Personality and Music—two spokes in the wheel that makes the world go 'round!

We, the students of Mount Vernon High School, dedicate this, the 1952 Surveyor, to the Band and Music Departments of our school. For the tireless efforts and cooperation of Mr. Gene Steinbach and Miss Catherine Bittle and their inspiration to music, we pay tribute.

During the change of classes we can see our classmates running to and from the quonsets and the Home Economics Cottage which are among our many surroundings at school.

AROUND SCHOOL

During the change of classes students can be found running for quonset huts, physical education classes, and the Home Economics cottage.

Because of the lack of space for classes, quonset huts were built to accommodate an overabundance of pupils. They were set up quite a distance from the main building which accounts for the hurrying and scurrying of students trying to reach their classes ahead of the bell.

The Virginia State Police Sub-Station is located across from Mount Vernon High School on U. S. 1.
These troopers are always on call to lend a helping hand to the public. Their duty is to enforce our laws and protect the lives of the masses who travel Virginia's highways.

We, as students, respect and honor these men who have selected such a great task as their life's work.

The Fairfax County Police are the school children's body guards. These men direct all traffic at the school zones during rush hours. They attend school events to control any disturbance which may arise, and they also sponsor the school safety patrols in our schools.
To the men of this organization we are truly indebted, for we are ever conscious of the task which faces them each day as our guardians of the highway.

After the school socials, everyone gathers at their favorite meeting place which is the Dixie Pig, better known as the "Pig."

Everyone knows "Chubbie", the friendly Shell dealer located two blocks north of our school. His service is deeply appreciated as well as that of our other neighboring fuel dealers.

Garcia's Restaurant is popular during the teachers' lunch hours, and the Sinclair station is a service to our students as well as our teachers.

Mount Vernon High School is located approximately six miles south of Alexandria on Route 1.

Since the school is not situated in any particular town. landmarks are necessary to decipher its locality.

Garcia's Restaurant, and the Sinclair Service Station are located directly across from the school.

ADMINISTRATION

The administrators of a high school direct the machinery of American education. We, here at Mount Vernon High School, are proud of our county school system and the capable minds who are ever ready to guide us.

Mount Vernon teachers at the District H meeting at Fairfax.

We wish to pay tribute to our administrators who have counseled and instructed us, and for whose guidance the students of Mount Vernon are ever grateful.

In Memory of

Thomas Phillip Traina, Jr., who was taken from our midst Sunday, January 20, 1952.

Tommy had been a popular student at Mount Vernon High School for one and a half years. This was his sophomore year. He was a friend to all who knew him and was always happy and cheerful toward his fellow classmates. He was always smiling, even in the most difficult times radiating his happiness to others.

May his cheerful ways be never forgotten by his classmates!

ORGANIZATIONS

One period a week, either on Monday or Thursday, meetings of different clubs are held.

These meetings provide outlets for students with interests in various activities such as Dramatics, Art, Science, Journalism, and other fields.

Clubs are a necessary part of a student's life since they provide many outside activities not included in the school schedule.

The Yearbook Club's purpose is to publish a successful school annual. The members are always striving to better the annual which is to be judged at the Southern Interscholastic Press Association Conference. Representatives from the club attend this conference at Lexington every year.

After much deliberation the club members voted to change publishers and set up a new yearbook policy. This policy included a more detailed program of work and a more organized system.

To help pay former debts of the club, members sold hotdogs and all occasion cards.

The club wishes to express their thanks for the cooperation of the faculty and the student body in helping to get the yearbook together.

BAND

This year, for the first time in MV's colorful history, the Majors were supported by the brisk music and spirited marching of Gene Steinbach's high-stepping band. Snappy marches and colorful half-time pageantry entertained the football fans and spurred the Majors on to victory. Well played overtures and etudes brought laurels to the concert band at the many shows performed during the concert season. Yes, we may well say, that for their first active year, the Mount Vernon High Band surely has done its part.

Those sparkling uniforms . . . maroon and grey . . . have, no doubt, been seen in many, many public appearances. Purchased through the combined efforts of tag day, dances, and through the courtesy and cooperation of the popular Band Boosters Club, headed by Mrs. Dewey Johnson and Mr. William Dachtler, the uniforms have added the finishing touches to the grateful Major Band.

So much was the band in demand, that it twice had the privilege of appearing coast-to-coast on CBS Television, performing spectacular half-time shows for the local U.S. Army Football Team.

Among the other activities, the young musicians were treated to an overnight trip to Newport News for the big Cradock-Mount Vernon Game. Concerts and festivals have also helped to fill out their busy schedule.

Due to the generosity of the Groveton Lions Club, the Band now possesses a school flag and an American Flag by donation "In appreciation for outstanding services . . ."

A well rounded concert band, Mount Vernon boasts of four French Horns and an Oboe, recently acquired expressly for their heavy concert work.

So high are the standards for the band, that four of the musicians were invited to be in the Virginia All State Band. They are Dean Dickerson, Bob Ditton, Howard Armistead, and James Featherston.

And, since this is only the first big year—the beginning of a rosy future . . . hats off to the MV Band.

A fine example of band formations which have become a regular part of our athletic programs.

SCHOOL LIFE

SPORTS

Sports, considered the mainspring of Mount Vernon High School, provides Mount Vernon students with just the right amount of school spirit and a sense of good sportsmanship.

In former years Mount Vernon's interests lay mainly in baseball and football. Now, however, students have welcomed basketball, hockey, and girls' softball into the limelight.

This year Mount Vernon has had, with the guidance of many coaches, a successful football team, a victorious basketball team, and a baseball team properly labeled "the best."

MOUNT VERNON DEFEATS FAIRFAX 7-0

A great crowd of 5,000 spectators turned out to see the Thanksgiving breath-taking battle.

On the first kick off made by Eddie West, the ball was received by Shelton. Both teams failed to gain any territory. Finally, an offsides against the Majors put the ball back to the 4 with Dick Cockrell nailing Sonny Godfrey on the one yard line. West punted out of bounds on his own 41.

The second quarter was the most exciting of them all. After the first down pass was incomplete, Sisselberger shot a flat pass to West at the forty, who went the remaining yardage for the score. He converted and Mount Vernon led 7-0. This action took place with 64 seconds remaining in the half.

The third and fourth quarters were both exciting, but neither teams scored though both teams came near scoring.

THE SEASON RESUME

MT. VERNON 33 — W. L. 0

Mt. Vernon pulled the upset of the season as they trounced a highly favored W. L. team from Arlington before a Homecoming crowd of 4.000 fans.

In the highly spirited contest Eddie West stood out on offense and Eligio Betancourt on defense, but praise should be given to the entire team for the outstanding game they played.

Eddie West took the opening kick-off on his own 15. ran the ball three times, and gave the Majors their first touchdown. West also converted after the score.

In the second quarter Jim Darr blocked a punt and Bob Norris scooped up the ball and raced 50 yards for the touchdown. West failed to convert. On the last play of the first half, Willy Davis grabbed a hurried W.-L. pass and scampered 20 yards for the third Major score. At halftime the score was Mt. Vernon 20, W. L. 0.

Miss Peggy Tyler was crowned "Homecoming Queen" during the half-time ceremonies.

In the third quarter Horace Talbot intercepted another W. L. pass and galloped 60 yards to boost the score to 26-0. West missed the extra point.

West carried the ball 54 yards on two consecutive plays in the final period for the Major's final touchdown. He also converted after the score.

Mr. Lee praised the team's play highly and said after the game. "It's the best game I've seen Mount Vernon play in eight years."

MAJORS LOSE TO LANE (26-19)

The Mount Vernon Majors lost a tough game to Lane of Charlottesville. with only 32 seconds left in the game. Lane won by a 26-19 score before a chilled, but thrilled crowd of 3.600 on the Majors' field. After Lane kicked off, the Majors failed on three tries and West went back to punt. Bill Shipp took the boot on his own 21 and raced 79 yards for a touchdown. Then Bill Shipp smacked over for the extra point and a 7-0 lead. A few minutes later. Bobby Norris recovered a Lane fumble on the 17 with West going over from the four on the second play. The try for the extra point failed. In the second period West and Eligio Betancourt peeled off runs of ten yards each to put the ball on the Lane seven with goal to go. On the second try West plunged for the score from the five. The extra point failed again. The Majors went off the field at halftime with a 12--7 lead. Theodose in the third quarter passed to Russell Keller at the 12 for a first down. with a penalty against the Majors moving the ball to the seven. Theodose at this point passed to John Draper for the score. Lane led 13-12. Lee Sisselberger passed to Harold Norton for the last score. Lee passed from the Lane 35 with Norton catching on the eight and racing for the score. West tried the extra point from placement and split the uprights. The Majors led 19-13. Shipp scored the tying touchdown on a 14-yard run and with time left Tommy Theodose threw a pass to John Draper for the winning touchdown. The extra point was taken over by Draper. That was a tough game to lose. with only 32 seconds left.

MOUNT VERNON TOPS FALLS CHURCH 13-6

The Majors scored the first touchdown in the fourth play as Big Jim Darr raced fifty yards for a touchdown. Eddie West converted to make the score 7-0.

During the second quarter Deo Hardman scored the Jaquars' only touchdown. The conversion was no good and the half ended with the Majors ahead 7-6.

In the third quarter Mount Vernon recovered a fumble on the Falls Church 20. A few plays later Sisselberger went over for the final score of the game to set the Majors 13-6.

MAJORS LOSE FIRST GAME (13-6)

The Majors dropped their first game 13-6, before a crowd of some 5.000, on the Majors' field. Leo DiValentino scored both touchdowns for Gonzaga. Led by Bill Cody and DiValentino, Gonzaga scored once in the first quarter and again in the second. Tom Kehoe recovered a Mount Vernon fumble on the 50 yard line early in the game, and after Cody ran 20 yards to the 30, the Eagles smashed to the goal. DiValentino drove over from the one and Cody ran across for the extra point. Gonzaga scored its second period touchdown on a 65 yard march climaxed by DiValentino's 18-yard end run. Mount Vernon made its only score later in the same period after Eligio Betancourt returned the

kickoff 55 yards to the Gonzaga 45, and West plunged over from the one a few minutes later. The score read at halftime 13-6. The Majors lost a tough game, because with the score 13-6, Eddie West's 28 yard run in the third quarter was called back on an offside penalty. No other scoring was done in the last half.

CRADOCK TOPS M. V.

Led by possibly the best back in the state of Virginia, Mickey Riggs, Cradock rolled over the invading Majors 39-6. Riggs scored six touchdowns and an extra point against the outmanned Majors. The only highlight of the game from the M. V. standpoint was Eddie West's 96 yard run back of the kickoff following Cradock's fourth touchdown. The Majors traveled to Cradock to play the game on the Admirals' field. Before the game Cradock had a big parade. The Mount Vernon band participated in the parade.

MAJORS ROMP OVER DeMATHA (32-0)

Eddie West went over for four touchdowns and booted two extra points, to lead Mount Vernon to a 32-0 romp over DeMatha High of Hyattsville, Maryland. After Bill Ebel punted to West in the third quarter, West returned the ball 19 yards to put the ball on the midfield-stripe. West, Godfrey, Darr and Downs reeled off a series of gains down to the Stag 11. After a five yard gain, Sonny Godfrey took a pitchout and raced over from the six. West's try for the extra point was blocked. The score read 6-0, Mount Vernon. A series of long gains by Big Jim Darr, Eligio Betancourt and Bub Darr set up the next score with West going right through the center of the line from the seven.. The extra point was again blocked. The score read 12-0, Mount Vernon. Just before the half ended, West scored again. Lee Sisselberger passed to Jim Darr at the 50 and then to Bub Darr on the Stag 25. West cracked to the 21 with a 15-yard penalty for clipping, moving the ball down to the 6. On the next play, West barged his way through. This time the extra point was good and the Majors led at the half, 19-0. The fourth quarter saw Mount Vernon score twice more. West scooted 67 yards for a touchdown. A few minutes later he scored on an end sweep from the nine. A crowd of 2,800 fans was on hand for the game.

MOUNT VERNON 20 — DANVILLE 8

Mount Vernon snapped a two-game losing streak and handed G. W. of Danville their seventh straight loss, 20-8, in a sea of mud.

After Frank Fulta fumbled and "Big Jim" Darr recovered for the Majors on the Danville 3, Eddie West went over for the touchdown on the third attempt. Eddie also added the extra point by rushing, to put Mt. Vernon out in front at the end of the first quarter 7-0.

In the second quarter Danville scored all of their points as Newell and Thomas moved the ball to the 2 and Benton carried it over for the score. The try for the extra point by rushing failed. With a minute remaining in the first half, Jim Darr was tackled in the end zone by Danville's Charley Smiley for a safety and a slim 8-7 lead at halftime.

In the third quarter Mario Lopez recovered a Benton fumble for the Majors on the G. W. 28. From there West carried the ball to the 8 and Jim Darr powered his way into the end zone for a 13-8 lead. The extra point failed.

After Belton's punt was blocked in the final quarter, West raced 23 yards around end through 9 inches of water for the Majors' final score. He also added the extra point by rushing.

G. W. 28 — MT. VERNON 7

Going into the contest a 12 point favorite as the result of the 33-0 defeat they handed W.-L. a week previous, the Majors were surprised and beaten 28-7 by the G. W. Presidents before 6,000 fans.

Eddie West gained 123 yards, scored Mt. Vernon's first and only touchdown of the night, on a 49-yard punt, and added the extra point to the Major's losing cause.

The Presidents tied the score early in the second quarter as Ralph Kneeland skirted around left end from 14 yards out and Walter Johnson added the first of four successful conversions. E. Y. Walters took a West punt on his own 20 and raced 80 yards to give G. W. a 14-7 lead at halftime.

There was no scoring in the third period, but G. W. scored twice in the fourth quarter as Dick Pope bulled over from the one-foot line and E. Y. Walters raced over from the 15 to end the scoring for the night.

MT. VERNON TRIPS WARWICK 25-0

The kick-off was made at 8:00 P. M. by Eddie West. Both teams showed much bustle. Mt. Vernon went over for the first touchdown in the first quarter to make the score 6-0.

The second quarter was followed by another touchdown which brought the score to 12-0.

The final scores were made in the last quarter when Mt. Vernon came back with 13 more points to make the score 25-0.

MAJORETTES IN ACTION

Guys have nothing on the girls at Mount Vernon it seems 'cause now they're even going out for the "heavier" athletics. The young ladies this season have enjoyed the fullest and most rounded athletic schedule any school could imagine . . . in spite of this year's conditions. For a perfect example, take the schoolgirl's pride and joy, the Girls' Basketball Team which every night trekked out to Fort Belvoir for practice—and even had enough energy to play some games! Not just a "reducing course," the team boasts of some of the finest young Olympic material THE SURVEYOR has seen to date.

Orchids then, to Misses Harvey and Gardner and the whole girls' basketball team for a great—and surprising year.

HOCKEY

The clatter of stick to puck and the pleasant sound of girlish—but enthusiastic screaming brought forth another successful season of The Mount Vernon Girls Hockey Team. One of the most popular girls' sports in the school, field hockey, saw its first year a smashing success because of the enthusiasm and zest of the girls—successful because the girls had fun, and that's what counts. They really enjoyed the long hours of nightly practice.

Miss Harvey, the team's hard-hitting coach, pulled the girls through a rigorous season, playing top teams both at home and away this year; and many really happy memories will be recalled during the long summer months. Memories of the beginning practices, the first games, the build-up . . . and then the tournament! Yes, in victory and defeat, hockey had a big year at Mount Vernon.
